IMPORTANT DISCLOSURE INFORMATION

Past performance may not be indicative of future results. Different types of investments involve varying degrees of risk. Therefore, it should not be assumed that future performance of any specific investment or investment strategy including the investments and/or investment strategies recommended and/or undertaken by Fierston Financial Group, Inc. (“FFG”), or any non-investment related services, will be profitable, equal any historical performance level(s), be suitable for your portfolio or individual situation, or prove successful. FFG is neither a law firm, nor a certified public accounting firm, and no portion of its services should be construed as legal or accounting advice. Moreover, you should not assume that any discussion or information contained in this document serves as the receipt of, or as a substitute for, personalized investment advice from FFG. Please remember that it remains your responsibility to advise FFG, in writing, if there are any changes in your personal/financial situation or investment objectives for the purpose of reviewing/evaluating/revising our previous recommendations and/or services, or if you would like to impose, add, or to modify any reasonable restrictions to our investment advisory services. A copy of our current written disclosure Brochure discussing our advisory services and fees is available upon request or at www.fierston.com. The scope of the services to be provided depends upon the needs of the client and the terms of the engagement.

Historical performance results for investment indices, benchmarks, and/or categories have been provided for general informational/comparison purposes only, and generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results. It should not be assumed that your account holdings correspond directly to any comparative indices or categories. **Please Also Note:** (1) performance results do not reflect the impact of taxes; (2) comparative benchmarks/indices may be more or less volatile than your accounts; and, (3) a description of each comparative benchmark/index is available upon request.

Please Note: Limitations: Neither rankings and/or recognition by unaffiliated rating services, publications, media, or other organizations, nor the achievement of any designation or certification, should be construed by a client or prospective client as a guarantee that he/she will experience a certain level of results if FFG is engaged, or continues to be engaged, to provide investment advisory services. Rankings published by magazines, and others, generally base their selections exclusively on information prepared and/or submitted by the recognized adviser. Rankings are generally limited to participating advisers (*see* link as to participation data/criteria, to the extent applicable). Unless expressly indicated to the contrary, FFG did not pay a fee to be included on any such ranking. No ranking or recognition should be construed as a current or past endorsement of FFG by any of its clients. **ANY QUESTIONS:** FFG’s Chief Compliance Officer remains available to address any questions regarding rankings and/or recognitions, including the criteria used for any reflected ranking.
