Important Disclosure Information

Please remember that past performance may not be indicative of future results. Different types of investments involve varying degrees of risk, and there can be no assurance that the future performance of any specific investment, investment strategy, or product (including the investments and/or investment strategies recommended or undertaken by Fierston Financial Group, Inc. (“FFG”), or any non-investment related content, made reference to directly or indirectly in this commentary will be profitable, equal any corresponding indicated historical performance level(s), be suitable for your portfolio or individual situation, or prove successful. Due to various factors, including changing market conditions and/or applicable laws, the content may no longer be reflective of current opinions or positions. Moreover, you should not assume that any discussion or information contained in this commentary serves as the receipt of, or as a substitute for, personalized investment advice from FFG. Please remember to contact FFG, in writing, if there are any changes in your personal/financial situation or investment objectives for the purpose of reviewing/evaluating/revising our previous recommendations and/or services, or if you would like to impose, add, or to modify any reasonable restrictions to our investment advisory services. FFG is neither a law Firm, nor a certified public accounting Firm, and no portion of the commentary content should be construed as legal or accounting advice. A copy of the FFG’s current written disclosure Brochure discussing our advisory services and fees continues to remain available upon request or at www.fierston.com.

Historical performance results for investment indices, benchmarks, and/or categories have been provided for general informational/comparison purposes only, and generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results. It should not be assumed that your FFG account holdings correspond directly to any comparative indices or categories. **Please Also Note:** (1) performance results do not reflect the impact of taxes; (2) comparative benchmarks/indices may be more or less volatile than your FFG accounts; and, (3) a description of each comparative benchmark/index is available upon request.

Please Note: Limitations: Neither rankings and/or recognition by unaffiliated rating services, publications, media, or other organizations, nor the achievement of any designation or certification, should be construed by a client or prospective client as a guarantee that he/she will experience a certain level of results if FFG is engaged, or continues to be engaged, to provide investment advisory services. Rankings published by magazines, and others, generally base their selections exclusively on information prepared and/or submitted by the recognized adviser. Rankings are generally limited to participating advisers (*see* link as to participation data/criteria, to the extent applicable). Unless expressly indicated to the contrary, FFG did not pay a fee to be included on any such ranking. No ranking or recognition should be construed as a current or past endorsement of FFG by any of its clients. **ANY QUESTIONS:** FFG’s Chief Compliance Officer remains available to address any questions regarding rankings and/or recognitions, including the criteria used for any reflected ranking.
